Annual Dhamma School Trip

It's one of the highlights of the school year for our Dhamma School Children – their annual school trip. Every year with the help of our parents we have been organizing a educational and fun school trip.

Last year our children visited CITTAVIVEKA Chithurst Buddhist Monastery. In addition to take part in the Dhanna Pinkama, our children were given a very rare opportunity to accompany a Ven Monk from the Cittaviveka Vihara to a remote and isolated Meditation Hut that is being used by the Monks. Children had the opportunity to explore the surroundings and ask questions. After the visit to Buddhist Monastery they had a very fun afternoon at the West Wittering beach!
